Dear Ernie,

On behalf of Ohlone College, I would like to thank you for your outstanding performance at our campus to promote higher education to the Latino community at our event, Para Mi Raza, on April 29, 2004. More than 300 people attended the event and truly enjoyed your hilariously candid comedy act. Your ability to weave humor and an educational message together created an incredible impact. It was "edutainment" at its finest!

With your help, Ohlone College hosted its **first-ever** outreach and recruitment event to promote higher education to the Latino community. Your popularity as a Latino comedian generated an awesome response from the community. We are still receiving accolades in regards to the event's success. In fact, it has set the precedent for another Para Mi Raza event next year!

It has been an absolute pleasure and joy to work with you over the past few months. Thanks for putting up with all of my phone calls and e-mails. I hope you found the staff here at Ohlone College to be accommodating, attentive and appreciative.

We wish you all of our best as you continue to make a difference while doing something you love. Your talent, passion, professionalism and charisma make you a unique performer. We expect to hear more great things to come from you!

Please keep in touch and update us on what's next for you.

Take care,

Renee Wong Gonzales
