Dear Ernie G:

On behalf of the Sacred Heart Familia, I would like to express my sincere gratitude for making our Hispanic Heritage Month assembly a great success. Your great humor and inspirational stories served as a powerful reminder that pursuing higher education is a valuable and necessary goal that enriches our minds, our families and our communities. Embracing our culture is a magnificent gift that allows us to express ourselves in a positive form and your message of empowerment was just what our students needed to kick off our Hispanic Heritage Month Celebration. Thank you for enlightening our students with this important message with your comedy and kindness. Your presence as a positive Latino role model is inspirational and is greatly appreciated.

Thank you, once again, for the amazing motivational assembly which made our Hispanic Heritage Month assembly a great success. You were, by far, one of the best speakers we have ever had at our school, since I have been an Administrator here, and we look forward to having you come visit us again within the Sacred Heart Familia.

Sincerely,

Ruby Hernandez
